

Family Intake Questionnaire

This form is used to gather information about the children we serve. Families are encouraged to fill out this questionnaire as completely as possible within the family's comfort level. Any question may be left blank if the family does not wish to share the information. If you do not wish to provide any information, please check the statement declining to participate in the YoungStar Intake Questionnaire.

Please sign this document whether any questions are answered or not.		
Child's Name		
\square My family prefers not to participate in the YoungStar Family Intake Questionnaire.		
1.	Tell us about your family and your family's background. (State any information you are willing to share; such as: siblings, who lives in your home, where you may have lived previously, etc.):	
2.	Tell us about the holidays, traditions and/or customs that your family observes or any that your family does not observe. How would you like us to handle these occasions when they arise?	
3.	What kind of things do you do as a family? How do you spend your free time? (Sports participation, TV watching, pets in the home, games, etc.)	

4.	Below is a list of qualities that families often view as qualities desirable for their children to recognize and value. Which, if any, do you consider to be especially important? Mark N/A if not important to your family values. Check off the five most important values for your family: Independence Hard work Feeling of responsibility Imagination Tolerance and respect for other people Determination, perseverance Religious faith Unselfishness Obedience Self-expression Other
5.	Is there anything you would like to tell us about your child's temperament? (What calms your child down when they are upset, excited, or frustrated? Are there certain topics of interest that help to distract your child when upset?)
6.	How would you describe how your child learns about the world around them (example: fearless, tries everything in sight or cautious, approaches their world slowly and cautiously)?
7.	What is the most important thing that we should know about your child?
